

# Business Model for Individuals

**Connecting Ideas, Mentors, and Entrepreneurs**

AI helps you get ready.

**People help you win.**

# Our Mission

TouchConnectPro bridges the gap between raw ambition and investor readiness. We combine AI-powered tools with expert human mentorship to transform promising ideas into fundable ventures.

Our hybrid approach ensures every motivated founder gets the structure, support, and strategic guidance they need to succeed—regardless of their starting point.

# The Journey: Idea to Investment

## Free Entry

AI-powered idea refinement and draft business plan generation

## Mentor Match

Evaluation and acceptance into personalized mentorship program

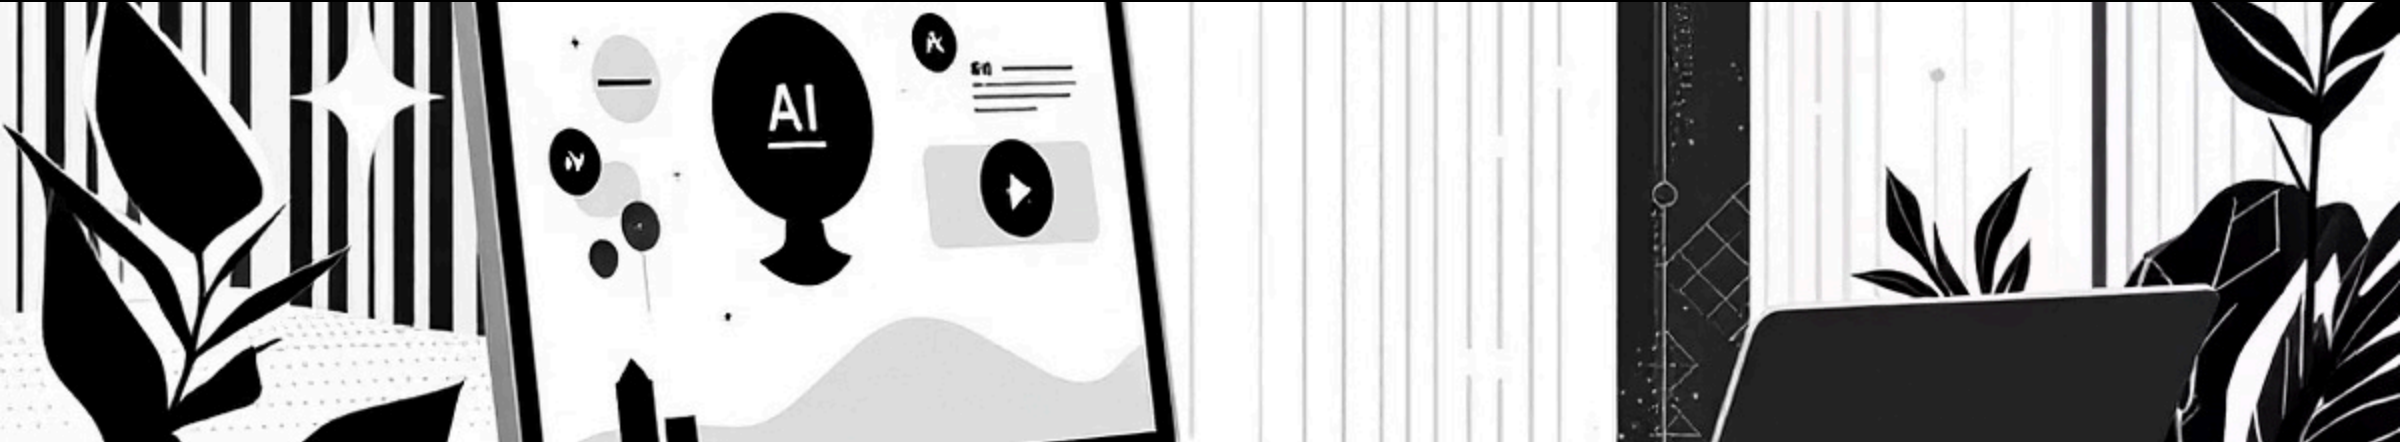

## Active Development

Monthly sessions, community learning, and specialized support

## Investor Ready

Refined pitch deck and fundraising strategy for angel investors

## Zero-Barrier Entry Point

### Free Account Creation

No credit card required. Start refining your idea immediately with our intuitive platform.

### AI-Powered Refinement

Our intelligent tools help you articulate your value proposition, clarify your messaging, and structure your thinking.

### Draft Business Plan

Receive a mentor-ready business plan outline that demonstrates viability and potential—perfect for evaluation, not yet investor-grade.

This friction-free approach validates ideas quickly while preparing founders for meaningful human mentorship.

# Membership: Your Growth Foundation

# \$49

per month

## What Membership Unlocks

- Dedicated mentor-coach matched to your industry and goals
- 30-minute face-to-face onboarding session in your first month
- Monthly 1-hour group coaching sessions with peer founders
- Access to pitch-creation tools and strategic frameworks
- Community learning environment with real-time feedback
- Ongoing guidance as you progress toward investor readiness

Membership begins after your mentor-coach reviews your AI-prepared materials and accepts your idea into their portfolio.

# Structured Support System

## First Month Deep Dive

Your journey starts with a focused 30-minute session. Your mentor-coach learns your vision, provides strategic direction, and assigns your first milestone: creating a compelling pitch.

## Monthly Group Sessions

Present your progress, receive expert feedback, and learn from fellow founders. These 1-hour sessions build accountability, spark new ideas, and accelerate growth through collective intelligence.

## Specialized Expertise

Access targeted experts in finance, marketing, engineering, legal, and branding. Get precisely the help you need, exactly when you need it.

# Specialized Mentor Marketplace

## Business Modeling

Revenue strategies and operational frameworks

## Finance & Accounting

Financial projections and unit economics

## Legal Foundations

Entity formation and IP protection

## Marketing Strategy

Go-to-market plans and brand positioning

## Technical Development

Product architecture and engineering strategy

## Branding Excellence

Visual identity and market differentiation

- ☐ TouchConnectPro facilitates connections with specialized mentors who offer paid sessions and courses. We earn a 20% revenue share, creating value for everyone while keeping costs transparent.

## Angel-Stage Support & Equity Partnership

### Investor Readiness Program

When you're ready to raise capital, we intensify our support:

Refine your pitch deck to investor standards

Build compelling financial projections and metrics

Develop fundraising strategy and target investor lists

Practice pitch delivery with mentor feedback

Navigate term sheets and negotiation dynamics

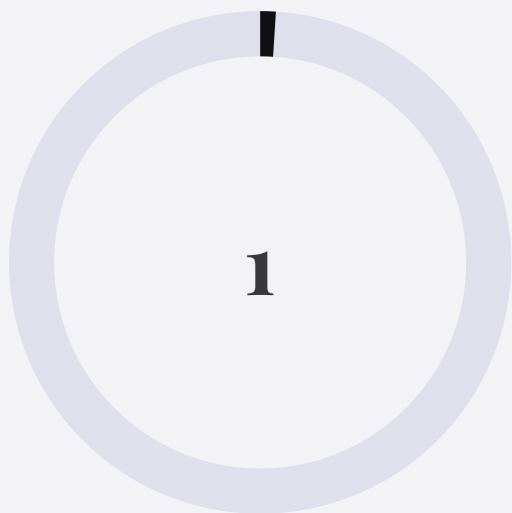

### Aligned Success Model

TouchConnectPro gets 10% of the equity given to investors in fundraising rounds we help with.

This alignment ensures we succeed only when you succeed—creating a true partnership focused on your long-term growth.

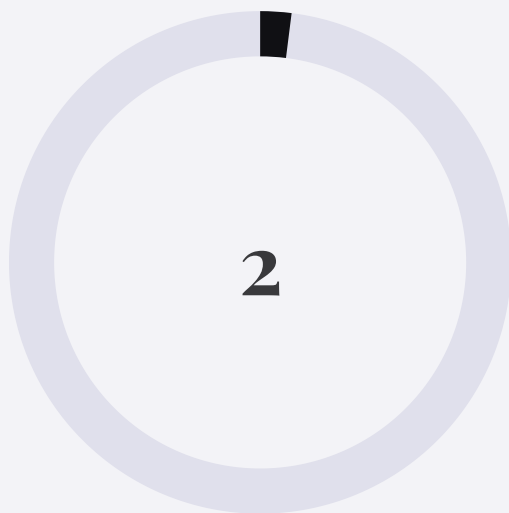

# Three Revenue Streams

## Recurring Membership

**\$49/month** per active member provides predictable revenue and ongoing founder support

## Marketplace Revenue Share

**20% commission** on paid courses, expert sessions, and specialized mentoring services

## Equity Participation

**10% equity stake** in successful fundraising rounds that TouchConnectPro helped facilitate

---

This diversified model balances immediate cash flow with long-term value creation, scaling naturally as our community grows and succeeds.

# Building the Future of Entrepreneurship

TouchConnectPro transforms entrepreneurial potential into fundable reality—one founder, one mentor, one success story at a time.
